

# 5o5 WORLDS 2005

We can supply you with the best 100% ready to race Epoxy-carbon Rondar 505 directly for Worlds. Fitted out and completed to our proven and most advanced specification and done with the craftsmanship work you would expect from us.

505's are fully tuned and calibrated and brand new boats supplied by us have won several major events right after collection during last seasons.

Package includes Carbon High Aspect Foils vacuum build in perfect moulds and all system we recommend or what you like.

Lately a new supplied Rondar 5o5 clearly won the AUS Nationals with 4x 1. out of 7 races and with a race to spare - well done Michael and Geoff!

Want to know more details? See [www.segelsportjess.de](http://www.segelsportjess.de) or email us.

Our 5o5's came 1./3./6./7./8 at Worlds 2005 8 out of Top15 !
